LB 287, 411

Judiciary.

Judiciary reports 287 to General File; 411 to General File. Both signed by Senator Hoagland. (See page 787 of the Legislative Journal.)

That is all that I have, Madam President.

SENATOR MARSH: Senator Don Lynch. Dan.

SENATOR LYNCH: Madam President and members of the Legislature, I move that we adjourn until benediction at nine o'clock in the morning on March the 4th.

SENATOR MARSH: Before we vote on that, I would like to request that Senator Schmit and Senator Sieck escort our visitors from the United Nations to their reserved spot for the program. I would remind all of the senators that we are requested to appear in the rotunda immediately upon adjournment. All those in favor of adjourning say aye. Opposed. We are adjourned.
